PECAN TREE
PEDIATRICS
FINANCIAL POLICY

We are committed to providing your child(ren) with the best possible medical care. If you have special financial needs, we are willing to work with you. The following information is provided to avoid any misunderstanding or disagreement concerning payment for professional services.

We will file primary insurance as a COURTESY; however, YOU ARE ULTIMATELY RESPONSIBLE FOR YOUR CHILD(REN)'S CHARGES.

1. Our office participates in a variety of insurance plans. **It is your responsibility to:**
 - **Bring your insurance card and photo I.D. *at every visit.***
 - **Pay your Co-Payment and/or any deductibles *at each visit.***
 - **Pay in full for any medical care or services that are not covered by your insurance plan.**
2. If your child(ren) has insurance that we do not participate with, or your child(ren) does not have insurance, payment in full is expected at the time of service. Your child(ren) will be a "Private Pay" patient in our office. We offer a discount to "Private Pay" patients if the charges are paid at the time of service.
3. If your insurance plan is a HMO or POS policy, it may require you to choose a PCP (Primary Care Provider). You will need to choose a physician from our practice prior to making any appointments to be seen with us. We will be unable to see your child(ren) until this change is made.
4. **You are responsible for filing secondary insurance claims for federal and state sponsored health insurance carriers.**
5. **You are financially responsible for any amount not covered by your child(ren)'s plan.**
6. **You are financially responsible for all charges incurred in your child(ren)'s care and treatment.**
7. **If your check is returned for non-sufficient funds or any other reason, your account will be charged a *\$25 Returned Check Fee.* If one check is returned to us for any reason, your account will be marked to not allow further payments to be made by check.**
8. If you have questions about your insurance, we are happy to help. However, specific coverage issues should be directed to your insurance company member services department. The telephone number is usually located on your insurance card.
9. In an effort to maintain our patients' accounts in good standing for outstanding balances that are greater than 90 days old, payments must be made to maintain account balances that are less than \$100. If a large amount is due, then we may allow you to pay 10% of the balance if a payment plan for the remaining balance is agreed upon.

If you fail to make payment for services that are rendered to you, your outstanding balance will be sent to an outside collection agency. You will be responsible for any fees associated with the collection of your outstanding balance. Failure to meet your financial obligations with this office could lead to dismissal from the practice.
10. To protect your child(ren)'s records, we ask you to provide our office with a driver's license or other picture identification. Annually, or as changes occur, we will ask you to update and sign our Family Information Form. We will scan your insurance card, ID, and Family Information Form, into your child(ren)'s electronic medical chart. We will check these documents prior to releasing your child's records.
11. In cases of divorce and/or separation, the legal guardian and/or the person bringing the child(ren) in for services will be held responsible for paying any balance originating from that visit. If you provide legal documentation that someone other than the legal guardian is financially responsible and you provide billing information for that responsible party, we will attempt to bill that party. However, if the balance is unpaid by that person, you will be held responsible for the balance on your child(ren)'s account.
12. Payments may be requested by and returned to **Pecan Tree Pediatrics, P.A.**

ADVANCED BENEFICIARY NOTICE

We have developed a list of services that may **NOT** be covered by your insurance carrier, or the charges will be applied to your deductible. The purpose of this list is to help you make an informed choice about whether or not you choose for your child(ren) to receive certain services. The fact that your insurance carrier does not cover a service does not mean that you should not receive that service, it just means that you have a choice as to whether your child(ren) receives it or not. If you choose to receive one of these services in the office and it is later denied by your insurance carrier, you will be financially responsible for the balance on your account.

I also authorize you to release to my child(ren)'s insurance company or their agent, information concerning health care, advice, treatment, or supplies provided to my child(ren). WELL CHILD CHECKUP CHRONIC ISSUES or ACUTE ISSUES:

Please be advised that if your child is treated for an illness or injury, or there are changes in chronic illness management during a Well Child Check-up, we are required to bill an Encounter Code visit in conjunction with the well visit, per AMA guidelines.

It is the policy of this office that the provider will bill for an Encounter Code in conjunction with your child's Well Visit Code. Your insurance will process the Encounter Code according to your plan guidelines, applying copay, coinsurance, and/or deductible as applicable. If this happens, you will be responsible for any amount insurance deems your responsibility, and you will receive a bill for these additional services. Any copay applied by your insurance carrier for an acute illness or injury and changes to chronic management during a well-child check will be billed to you on your next statement.

Self-pay patients will be charged an additional \$50 for acute illness or injury and changes to chronic management during a Well Child Check-up; this amount will be billed to the guarantor.

LATE ARRIVALS / NO SHOW POLICY

Appointments are scheduled specifically for each patient. Please arrive 15 minutes prior to your scheduled appointment for the completion of any paperwork or account issues that could cause a delay for check-in. If you arrive late for your appointment or arrive without the pre-registration process being completed, you may be asked to reschedule it for another day. If you cannot keep your appointment, we ask you to cancel at least 24 hours prior to the appointment time. If you "no show" three times we reserve the right to discharge your child(ren) from the practice.

EACH WELL VISIT AND/OR ADHD EVALUATION APPOINTMENT THAT IS MISSED AND NOT CANCELLED PRIOR TO 24 HOURS BEFORE THE SCHEDULED APPOINTMENT TIME WILL BE ASSESSED A \$50 FEE TO THE PATIENT'S ACCOUNT.

EACH SICK VISIT THAT IS MISSED: "NO SHOW" WILL BE ASSESSED & A \$25 FEE TO THE PATIENT'S ACCOUNT.

The HIPAA Privacy Rule permits Pecan Tree Pediatrics (PTP) providers and staff to communicate with parents/guardians regarding their child's health care. This includes communicating with patients at their homes, whether through the mail, by phone, or in some other manner. In addition, the Rule does not prohibit PTP providers and staff from leaving/sending messages for patients on their voicemails/emails.

Messages that contain protected health information (PHI) require the parent/guardian to sign an authorization form to receive messages by voicemail/email. For example, messages that contain PHI would be test results, medication information, payment information, and treatment plans.

The goal of this authorization is to decrease the call volume and delay in communication between patients, staff and providers. However, to reasonably safeguard patient privacy, PTP providers and staff may limit the amount of information disclosed on the message.

This authorization is in effect until cancelled in writing.

I understand my HIPAA rights and I request that Pecan Tree Pediatrics leave messages, including those containing PHI, for me by voicemail/email at the number/email noted below. I understand that it is my responsibility to keep the practice informed of any changes to this information. This authorization is in effect until cancelled in writing.
